# Background and Objectives

Burke Group has been asked to review Senior Executive salary levels within RGRTA relative to market data.

Specifically, the objectives at this time are as follows:

- Review RGRTA's executive compensation philosophy statement regarding market definition;
- Assess appropriate survey sources for market data; and
- Summarize the market analysis and present findings to the RGRTA Compensation Committee.

# Best Practices

## Governance/Executive Compensation

- Compensation Committee reviews all components of CEO compensation;
- CEO advises Compensation Committee on senior executive compensation actions in order to maintain consistency with the executive compensation philosophy;
- Increased disclosure on compensation strategies and risk assessment;
- Sound strategy for peer group analysis; and
- Clear alignment of pay programs with strategic plan.

# Benchmark Analysis

In order to provide the Authority with the best assessment of the market, we have accessed the following data sources:

- Peer Group
- Local Tax-Exempt organizations
- Towers Watson Surveys
  - Top Management Report
- ERI Survey

## Scope data

- Employees: 825
- Passenger Vehicles: 445
- Budget: \$83M
