

**Supplier Portal User Guide:
Registration & Account Management
Instructions**

SECTION 1 - Welcome to the RTS Supplier Portal!

The Rochester Genesee Regional Transportation Authority is pleased to provide an online portal to streamline and simplify doing business with suppliers. Through the portal, suppliers can receive notifications of sourcing events, bid on those events, review contracts, view progress of orders, and see payment information.

To be eligible to bid on events, you must create a user account and register with your company information.

1.1 Getting to the Supplier Portal

- A. Navigate to the Supplier Portal at <https://supplierportal.myrts.com>

The screenshot shows the Supplier Portal homepage. At the top, there is a blue navigation bar with the text "Supplier Portal" on the left and "Welcome Contact Us Help" on the right. Below the navigation bar, the page is divided into three main sections: "Login/Register", "Supplier Portal", and "Links".

- Login/Register**: Includes links for "Login", "Forgot User Name?", and "Register".
- Supplier Portal**: Contains a description: "The Supplier Portal facilitates the exchange of information between a buying organization and its suppliers. Benefits of the application include:" followed by a bulleted list:
 - Self-service supplier registration and account maintenance
 - Support for multiple commodity codes per supplier and contact
 - Improved communication via messages, including support of electronic attachments
 - Document upload capability
 - Enables data to be accessible in one location
- Links**: A list of links including "myRTS Website", "Procurement Forms", "Staff Directory", "Civil Rights and Diversity Programs & Utilization", "Procurement Policies & Procedures", and "Contract Documents & Purchase Orders".

At the bottom of the page, there is an "Announcements" section with the text "Welcome to the RTS Supplier Portal!"

- B. From here, you can:
- Register as a supplier.
 - Login with your username and password.
 - PW Requirements: Minimum Length = 8
 - Alpha/Numeric Required & Case Sensitive
