Your ride. Your way.

Ready when you are

RTS On Demand service helps customers enjoy a more customized, flexible, and reliable experience in areas that do not have fixed-route transit service.

Request your ride one of three ways:

- Use the RTS On Demand app
- Visit myRTS.com
- Call 585-288-1700 for Customer Service

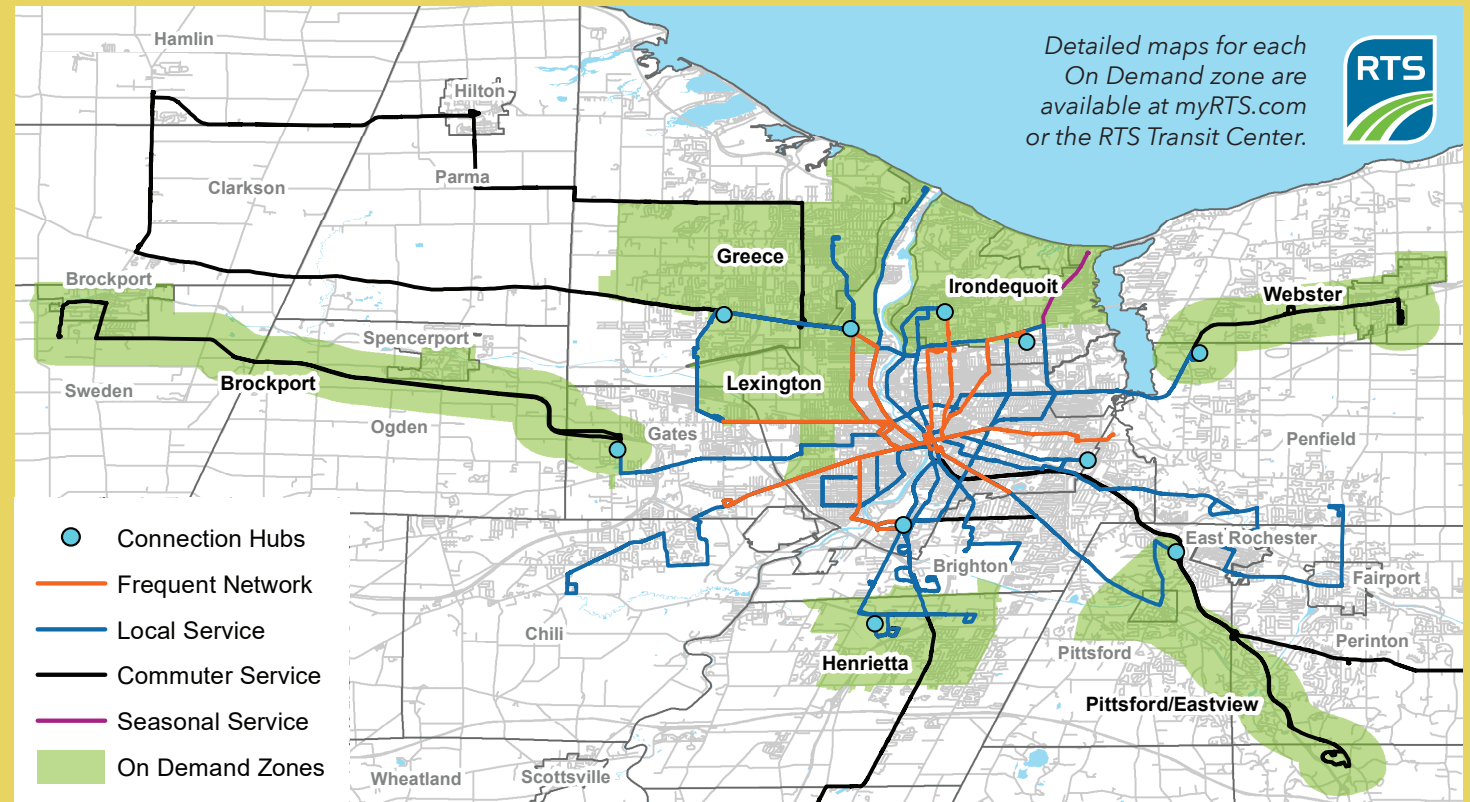

You can make your RTS On Demand reservation up to 12 hours in advance of your trip and book up to 5 people at one time. All RTS On Demand vehicles are ADA-accessible and have bike racks.

Please be at your pick-up point at least 5 minutes before your scheduled pick-up time. Operators will pick you up on either side of the street, even if the street borders the On Demand zone, in a vehicle clearly marked with the RTS On Demand logo. Always check the license plate number you received when you completed your booking.

Sorry, but RTS On Demand Operators cannot accept customers who have not reserved an On Demand trip.

What to bring:

- Limit yourself to two carry-on items that fit on your lap or under the seat.
- Service animals or pets are welcome as long as the guidelines are followed. Read more about reasonable accommodations related to RTS On Demand service at myRTS.com.
