Route Deviation Service

We comply with the Americans Disabilities Act (ADA) via our Route Deviation Service. The bus may deviate from the route to service points within ¼ mile of the route. Following an off-route deviation, the bus will return to the point on the route it left. If you cannot reach regular bus stops, route deviation may be a good option for you. To reserve a ride, call during our regular business hours at least one day before your desired trip and up to one week in advance. Monday reservations must be called in by 3 pm on Friday. Route deviation fares are charged twice the route fare without discounts.
