## Route Deviation Service

We provide Route Deviation Service. The bus may deviate from the route to serve points within ¾ mile off the route, curb to curb. Following an off route deviation, the bus will return to the point on the route it left. If you cannot reach regular bus stops, route deviation may be a good option for you. All of our buses are ADA accessible.

To reserve a ride, call during our regular business hours at least one day before your desired trip, and up to one week in advance. Monday reservations must be called in by 3:00pm on Friday. **Route deviation fares are charged twice the route fare without discounts.**
