## **Route Deviation**

We comply with the Americans with Disabilities Act (ADA) via our Route Deviation Service. The bus may deviate from the route to service points within ¾ mile of the route. Following an off-route deviation, the bus will return to the point on the route it left. If you cannot reach regular bus stops, route deviation may be a good option for you.

To reserve a ride, call during our regular business hours one day before your desired trip. Monday reservations must be called in by 3:00 pm on Friday. Route deviation fares may be charged twice the route fare without discounts.
